WASHINGTON, D.C. – The ADAP Advocacy Association today announced it would suspend all face-to-face advocacy meetings until further notice in response to the ongoing Coronavirus (COVID-19) pandemic. The decision reflects an abundance of caution for advocates who are immunocompromised.

All planned events, regardless of their size – including HIV/AIDS Fireside Chats – will be rescheduled later this year. For more information about the impact of the Coronavirus on people living with HIV, please read the latest ADAP Blog at <https://adapadvocacyassociation.blogspot.com/2020/03/coronavirus-living-with-hiv.html>.
