WASHINGTON, D.C. – The ADAP Advocacy Association today announced it would host its **2020 HIV/AIDS Fireside Chats**, assembling key stakeholder groups to discuss pertinent issues facing people living with HIV/AIDS. In continuing the organization's strong commitment to patient-centric advocacy, each will include local patient-advocates to ensure *“that the voice of persons living with HIV/AIDS shall always be at the table and the center of the discussion.”*

The following HIV/AIDS Fireside Chats will convene this year:

- Atlanta, Georgia in April 2020
- Chicago, Illinois in June 2020
- Denver, Colorado in September 2020
- Philadelphia, Pennsylvania in December 2020

The HIV/AIDS Fireside Chats replaced the organization's Annual ADAP Conference, which has been held annually since 2007. The change comes in light of the current political environment and the need for more local engagement to influence federal public policy.
