## ADAP Advocacy Association is an Organizational Partner of the SYNChronicity 2021 Virtual Conference

***SYNC 2021 to be held September 21<sup>st</sup> – 22<sup>nd</sup>***

For Immediate Release:  
July 26, 2021

Media Contact:  
[info@adapadvocacy.org](mailto:info@adapadvocacy.org)

WASHINGTON, D.C. – The ADAP Advocacy Association today announced it is a proud organizational partner of the **SYNChronicity 2021 Virtual Conference** (SYNC 2020), to be held September 21st-22nd.

Hosted by HealthHIV, HealthHCV, and the National Coalition for LGBT Health, the SYNChronicity Conference is the only national conference that connects numerous health care and public health audiences and systems in a dynamic healthcare environment to effectively address HIV, hepatitis C (HCV), sexually transmitted infections (STIs), and LGBTQ health, and health equity. The name, SYNChronicity, arises from the approach—to SYNC various audiences with a wide variety of topics with the intended outcomes of advancing HIV, HCV, STI, and LGBTQ health—and the recognition that to End the Epidemics stakeholders need to SYNC fields, efforts, and resources.

**To ensure patient advocate safety and the safety of the presenters and staff, SYNC 2021 will be held virtually on September 21–22.** This completely virtual, interactive experience will feature the dynamic content, speakers, and sessions attendees have come to expect from SYNChronicity.

SYNC 2021 will virtually convene thousands of people in the U.S. and around the world to “SYNC” on HIV, HCV, STI and LGBTQ health education, training, advocacy, and research. The concept and intention of synchronicity is needed now more than ever as we collectively respond to this pandemic and its impact on HIV, HCV, STI, harm reduction, and LGTBQ health.

Registration guarantees access to all the content and this state-of-the-art virtual conference experience. Register today at <https://sync2021.org>.
