WASHINGTON, D.C. – ADAP Advocacy today announced its flagship ADAP Directory has undergone a complete makeover. The re-launch continues to feature its user-friendly state and territorial directory of the Ryan White HIV/AIDS Program's AIDS Drug Assistance Program (ADAP), while offering new patient-centric information and resources.

The ADAP Directory is an innovative approach to linking people living with HIV/AIDS to the information, resources, medical care, and treatment options that will keep them healthy, productive members of their communities. The ADAP Directory consolidates useful AIDS Drug Assistance Program related information from all 50 states and 6 territories into one convenient location for:

- Easy access to directory of AIDS Drug Assistance Programs
- Eligibility income calculator
- Resources for effective patient advocacy

The ADAP Directory is made possible by the support from Gilead Sciences, Janssen Pharmaceutical Companies of Johnson & Johnson, Merck, Pharmaceutical Research and Manufacturers of America (PhRMA), ViiV Healthcare, and Walgreens.
