ADAP Advocacy is an Organizational Partner of SYNC 2024

National Conference to be held May 29th-31st in Arlington, VA

For Immediate Release:
February 15, 2024

Media Contact:
info@adapadvocacy.org

WASHINGTON, D.C. – ADAP Advocacy today announced it is a proud organizational partner of **SYNChronicity 2024** (SYNC 2024), the Annual National Conference for HIV, HCV, STIs, Harm Reduction, and LGBTQ Health, to be held May 29th-31st in Arlington, Virginia.

“After a few years of the Covid-19 pandemic preventing us from ‘SYNC’ing’ face-to-face with our partners at HealthHIV on the important intersection between HIV, Hepatitis C, LGBTQ health, and other issues, we’re excited to join our friend and colleagues in Arlington later this Spring,” summarized **Brandon M. Macsata, ADAP Advocacy CEO**. “It is the preeminent national conference for public health and public policy stakeholders, like no other.”

Organized by HealthHIV, HealthHCV, and the National Coalition for LGBTQ Health, this one-of-a-kind national conference connects dynamic healthcare and public health audiences to effectively address HIV, hepatitis C, sexually transmitted infections, LGBTQ+ health, harm reduction, and health equity.

Brian Hujdich, HealthHIV’s Executive Director said: “ADAP Advocacy is one of our original SYNChronicity partners, and we’re so pleased that they continue to partner with us at our 10th anniversary conference.”

SYNC2024 features six tracks: HIV Prevention, HIV Treatment, Viral Hepatitis, Harm Reduction, STIs, and LGBTQ Health. Register today at <https://synconference.org>.

####

About ADAP Advocacy: ADAP Advocacy’s mission is to promote and enhance the AIDS Drug Assistance Programs (ADAPs) and improves access to care for persons living with HIV/AIDS. ADAP Advocacy works with advocates, community, health care, government, patients, pharmaceutical companies, and other stakeholders to raise awareness, offer patient educational programs, and foster greater community collaboration.

About HealthHIV: HealthHIV advances effective prevention, care, support, and health equity for people living with, or at risk for, HIV and hepatitis C—particularly with LGBTQ and other underserved communities—by providing education, capacity building, health services research, and advocacy to organizations, communities, and professionals.
