

340B Drug Pricing Program

In 1990, Congress authorized the 340B drug pricing program “to stretch scarce federal resources” and **not serve as a cash-cow** for covered entities eligible to participate under it. Yet...

Charity Care Declines & Medical Debt Explodes

DESPITE HOSPITAL REVENUE GROWTH & HOSPITAL CEO PAY RAISES

340B WHAT ABOUT ME?

Approximately **14 million people** owe over **\$1,000** in medical debt and roughly **3 million people** owe more than **\$10,000**.

Charity care is the health care provided for free or at a reduced price to low-income patients.
