WASHINGTON, D.C. – ADAP Advocacy today announced it is a proud organizational partner of the **[SYNChronicity 2026](#)** (#SYNC2026) Annual National Conference for HIV, HCV, STIs, Drug User Health, and LGBTQ Health, to be held March 18th-20th in Arlington, Virginia.

Organized by HealthHIV, HealthHCV, and the National Coalition for LGBTQ Health, this one-of-a-kind national conference connects dynamic healthcare and public health audiences to effectively address HIV, HCV, STIs, LGBTQ Health, Drug User Health, and Health Equity.

Brandon M. Macsata, CEO of ADAP Advocacy, stated: **“The SYNChronicity Conference is widely recognized as the preeminent healthcare event for public health stakeholders invested in HIV, viral hepatitis, and other critical health issues. As an organizational partner, ADAP Advocacy will send 30 patient advocates to ‘synchronize’ with thought leaders from across the country. It also allows HIV advocates attending AIDS Watch to stay and engage in both vitally important advocacy events.”**

SYNC 2026 offers [Dynamic Plenary Sessions](#) featuring thought leaders on transformative, multidisciplinary topics to drive SYNChronicity in healthcare, [Tailored Track Sessions](#) covering numerous health issues, and [In-Depth Institutes](#) with workshops exploring diverse topics and insights from leading experts, among other activities. Register today at <https://syncconference.org>.
